

COMUNICADO DE RECALL

A TATE & LYLE GEMACOM TECH INDÚSTRIA E COMÉRCIO S.A. (TL Gemacom Tech) - CNPJ 64.421.761/0001-08 vem a público informar que, em cumprimento à Resolução da ANVISA RE nº 3.879, de 08/10/2021, solicita aos fabricantes que receberam **goma xantana (Mesh 200 Food Grade)** ou **estabilizantes de alimentos e sistemas alimentares TECGEM AA**, de uso exclusivo industrial, lotes abaixo indicados, com **data de fabricação até 03/03/2021 e de validade até 10/09/2022, o recolhimento imediato destes lotes.**

A **TL Gemacom Tech** tem o compromisso de fornecer ao mercado produtos seguros e de alta qualidade. Por isso, informamos que **identificamos resíduo de óxido de etileno (ETO) na goma xantana** utilizada na fabricação dos nossos estabilizantes de alimentos e sistemas alimentares. O **ETO** é uma substância que pode causar alterações no material genético e favorece o desenvolvimento de carcinomas, para a qual não existem limites máximos tolerados (LMT) estabelecidos na legislação sanitária, razão pela qual sua presença poderia causar riscos à saúde. Por tal razão, **foi dado início ao recolhimento dos referidos lotes dos produtos em caráter preventivo.**

Recomendamos aos nossos clientes que, **caso tenham utilizado ou ainda possuam produtos dos lotes abaixo**, por favor, **entrem em contato imediatamente** pela central de atendimento ao cliente no **telefone/SAC 0800 8780 277** ou por meio do **e-mail sac.tlgt@tateandlyle.com**, disponíveis para atendimento, ressarcimento ou troca do produto.

O recolhimento não representará qualquer custo aos clientes, destinatários desta mensagem.
